*He is risen!*

Dear friends, it's wonderful timing that we will be having our **Family Mass this weekend** as we celebrate one of the most amazing feasts/mysteries of our entire Catholic Faith - **PENTECOST!!!** At this time, 50 days after the rising of Jesus from the dead, the promised gift of the Holy Spirit came upon the Blessed Virgin Mary and the Apostles. They went from being uncertain and afraid to being courage witnesses of faith to all in Jerusalem. About 3,000 people were baptised on this day and that's why it is often called **the birthday of the Church** because it was then that the Church began to grow.

So, during these cold and wet days, I warmly invite you all to join us...

**FAMILY MASS 10am this SATURDAY**  
**Followed by SUPPER & GAMES**

How blessed are we to have such a beautiful School and Parish Community. I must say I'm loving being here and remember that I'm here for each one of you. Never hesitate to get in touch.

God bless. Fr Paul

### COMPENDIUM OF THE CATECHISM OF THE CATHOLIC CHURCH

#### 144. What happened at Pentecost?

Fifty days after the Resurrection at Pentecost the glorified Jesus Christ poured out the Spirit in abundance and revealed him as a divine Person so that the Holy Trinity was fully manifest. The mission of Christ and of the Spirit became the mission of the Church which is sent to proclaim and spread the mystery of the communion of the Holy Trinity.

### Your guide to driving and parking safely near schools

The beginning and end of the school day are busy times for pedestrians and vehicles outside the school. That's why you need to take extra care in 40km/h school zones.

- Park safely and legally, even if it means walking further to the school gate. Parking signs are planned with children's safety in mind.
- Slow down to 40km/h in the school zone and stay aware of crossings.
- Always park and turn legally around the school.
- Never double park as it puts children at risk.
- Manoeuvres such as U-turns and three-point turns are dangerous.
- Never park in a bus zone or in the school bus bay.
- Make sure your children use the Safety Door (rear footpath side door) to get in and out of the car.
- At a supervised crossing, observe the directions of the school crossing supervisor.

Model safe and considerate behaviour for your child – they will learn from you.

Remember to always give way to pedestrians, particularly when entering and leaving driveways. Don't park across the school driveway or the entrance to the school car park. It's always a good idea to use the drop-off and pick-up area suggested by your school. This will help keep all children as safe as possible during the busiest times of the school day.

### National Reconciliation Week

Students and staff will participate in activities this week to recognise Reconciliation Week and discover ways we can be BRAVE and make CHANGE.
